

REMARKS/ARGUMENTS

This Amendment is being filed in response to the Office Action dated September 15, 2008. Reconsideration and allowance of the application in view of the amendments made above and the remarks to follow are respectfully requested.

Claims 1-12, 14, 15 and 17-20 are pending in this application.

Claims 1-12, 14, 15 and 17-20 are rejected under 35 U.S.C. §112, second paragraph as allegedly being indefinite due to usage of the term "the text label" without an antecedence basis.

Claims 1 and 10 are amended herein to cure the noted antecedence issue in the claims as well as to clarify that which is recited in the claims. Accordingly, it is respectfully submitted that claims 1-12, 14, 15 and 17-20 are in proper form and it is respectfully requested that this rejection under 35 U.S.C. §112, second paragraph, be withdrawn.

As it appears that the prior art rejections have been overcome, the Applicant respectfully submits that with the above amendment, claims 1-12, 14, 15 and 17-20 are allowable and an indication to that effect is respectfully requested.

In addition, Applicant denies any statement, position or averment of the Examiner that is not specifically addressed by the foregoing argument and response. Any rejections and/or points of argument not addressed would appear to be moot in view of the presented remarks. However, the Applicant reserves the right to submit further arguments in support of the above stated position, should that become necessary. No arguments are waived and none of the Examiner's statements are conceded.

Applicant has made a diligent and sincere effort to place this application in condition for immediate allowance and notice to this effect is earnestly solicited.

Respectfully submitted,

By
